

TRADE ZOOM FX TCA : POST-TRADE ANALYTICS FOR FX

Lower your currency trading costs while satisfying regulatory, client and governance requirements.

Increase net returns with trade zoom, our industry leading post-trade TCA tool.

Abel Noser's patented analytics allow you to measure trading performance, assess compliance risk, and satisfy best-execution requirements by utilizing multiple measures built into an easy-to-use interface.

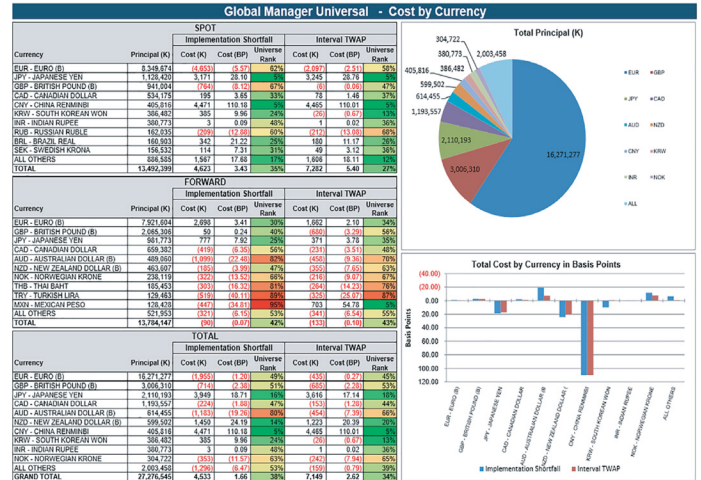

Our analytics platform provides the transparency you need to properly evaluate trading performance over the lifecycle of a transaction. A groundbreaking manager styles profiler breaks out data by portfolio manager so you can compare costs, evaluate strategies, and identify improvement opportunities.

LARGEST POSSIBLE UNIVERSE

Our TCA platform captures the largest global peer benchmark universe with trillions in fixed income, foreign exchange, equities, and futures. Benchmark data is included at no additional cost.

OUR TCA PLATFORM LETS YOU

- ◆ Calculate absolute and relative costs for spots, forwards, and swaps
- ◆ Monitor impact when trading with "standing order" instructions versus "negotiated transactions"
- ◆ Quantify the true costs of your custodial relationships
- ◆ View worst and best cost trades, strike price and average price metrics
- ◆ Examine individual data points that expose costs and strategies in a multitude of ways.
- ◆ Dynamically change manager review criteria by adjusting various filters
- ◆ Identify outliers by any benchmark and segregate based on pre-determined thresholds.

ADVANTAGES

- ◆ Over 30 built-in FX measures and dynamics for every step of the trading process
- ◆ Detailed transactions in graphical form allow you to view the entire trade lifecycle and see volumes, interval VWAPS, various strike prices, etc.
- ◆ Assessments are un-conflicted compared to reports produced by interested counterparties
- ◆ Tiered access levels available for users within your own organization.

CONFIDENTIAL AND SECURE

Hundreds of clients entrust their trade data to Abel Noser. You benefit by sharing in the scope of our knowledge and experience, while remaining anonymous at all times.
